

KNIT YOUR OWN DRESS FOR HELLA & STELLA

In collaboration with @majacreated, Bloomingville has developed a knitting pattern. Most have a creative relative who has the ability to create small unique dresses with stripes, dots or other details. We believe in a sustainable mindset in using left over yarn to create small dresses for Hella & Stella. Enjoy.

Materials:

- Cotton yarn 8/4
- Knitting needles 2,5 mm
- 1 snap button

Abbreviations:

- St = Stitches
- p = Purl
- kn = Knit

- Inc-r=increase to the right by picking up the thread between the stitches and knitting it through the back loop pointing to the right.
- Inc-l= increase to the right by picking up the thread between the stitches and knitting it through the back loop pointing to the left.
- Raglan st= inc-r, knit 1 st, inc-l

PATTERN

Please note, there are 3 edging stitches on each side. These are knitted on all rows. Every odd numbered row is on the wrong side. If this row isn't mentioned in the pattern, every stitch is purled except the edging stitches.

BLOOMINGVILLE IN COLLABORATION WITH UNICEF

At Bloomingville, we want all children in the world to thrive. In collaboration with UNICEF, we work for a safer environment and a more sustainable future for all children in the world. Everyone has a responsibility - for the world now and for all future generations.

The dolls, Hella & Stella, are carefully designed in cute colors and in order to support a good cause, while being useful and valuable to the children.

For every Hella & Stella set sold, Bloomingville donates an amount to support UNICEF.
