

# Product Recall Notice: Bloomingville Ceramic Cups 82060911 and 82060912

Bloomingville is asking all customers who have purchased an AGNES cup to immediately stop using the product. Part of the cup may detach, posing a potential choking hazard.

## Incident Report:

1 incident observed

The following items are included in this voluntary recall:

- 82060911, Batch 82060911-68740
- 82060912, Batch 82060912-68740

## Details:

No personal injuries have been reported. The issue was identified during transportation and not during actual use.

Despite the lack of injuries, due to the nature of our customer base, we are initiating an immediate recall of these cups.

## Action Required:

Customers are urged to return the product to the store where it was purchased. Refunds will be provided, even without a receipt.

Our retailers and partners have been informed about this recall.

We apologize for any inconvenience this may cause.

Best regards,

Bloomingville
